

Cannabis: Perception, Use Patterns & Motivations

RESEARCH VOLUNTEERS NEEDED

Study participants will be asked to provide a urine sample and to complete a brief series of questionnaires about their cannabis use history and habits, their motivations for marijuana use, and other related factors.

Time Commitment

The study will take approximately 1 hour to complete. Study participants will receive \$30 for their time.

Location

Center for Translational Behavioral Science
2010 Levy Ave Building B
